

# YOUR RISK DYNAMIC IS MOVING...

# FAST

EvacLight™  
Train Evacuation Lights

**TOTAL RISK MANAGEMENT REQUIRES THE *ULTIMATE FAIL-SAFE*:**

- A lighted carriage when *all* power is out
- A light in the hand of *every* evacuee

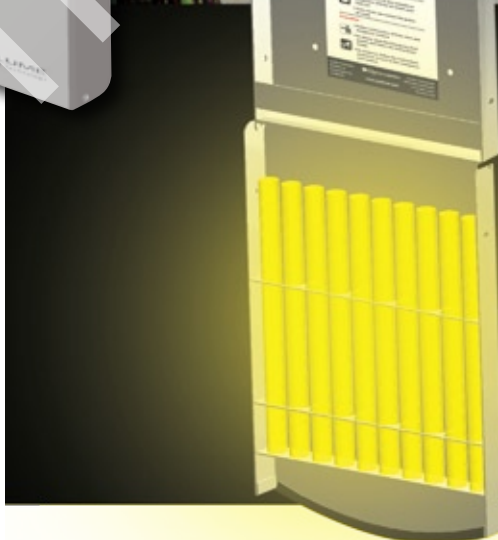

### Chemical SnapLights:

- Require no electricity
- Stay ready for years
- Easy to operate

### Easy Retrofit:

- Mount anywhere
- No Connections
- Blast-proof case
