

# YOUR RISK HORIZON IS EXPANDING ... **RAPIDLY**

**EvaLight™**  
Train Evacuation Lights

**TOTAL RISK MANAGEMENT REQUIRES THE *ULTIMATE* FAIL-SAFE:**

- A lighted carriage when *all* power is out
- A light in the hand of *every* evacuee

### **Chemical SnapLights:**

- Require no electricity
- Stay ready for years
- Easy to operate

### **Easy Retrofit:**

- Mount anywhere
- No Connections
- Blast-proof case

**CYALUME®**  
Light Technology
