Our Journey so far

Margaret's journey began in 1959 as a Saturday girl, working in a salon on Newcastle's Saville Row. With a flair for hairdressing and a warm personality Margaret quickly progressed to Manageress and eventually Salon Owner.

Inspired by her passion, two of Margaret's daughters followed her into the trade. With her daughters by her side, Margaret's salon became a family affair and an inviting place to be.

At Sisters is in the heart of Newcastle, situated on Pink Lane. The combination of warm atmosphere and creative talent has proved to be a winning formula.

A visit to their salon is not just an appointment, you are visiting friends.

Our mission

Everything we do and everything we create is based on what we believe in.

With a talented, passionate team by our side and strong family values, we will deliver the highest standard of services paying attention to detail to exceed your expectations. Each client will be treated with the upmost respect and receive a personalised bespoke treatment. Our clients may not remember what we said or what we did, but they always remember how we made them feel.

Lash Extensions

Classic Lashes

Classic lashes are the most natural-looking eyelash extensions as they are applied 1:1. They can be made to look more 'dramatic' depending on the condition of your natural lashes. So, if you are wanting to bin the mascara but don't want to look as though you are wearing strips 24/7 then this is the option for you!

approx. 1hr 15mins - £60.00

Maintenance Infills

Required every 2-3 weeks. 45mins - £30.00

Russian Lashes

Russian volume is a more advanced technique. Lashes are much lighter in weight allowing us to create hand made fans to achieve your desired look.

approx. 2 hrs - £80.00

Maintenance Infills

Required every 2-3 weeks. 1hr 30mins - £50.00

Hybrid Lashes

Hybrid Lashes are a mixture of Classic and Russian lashes. Great if you would like the classic lashes to extend the length but also would like the volume of Russians.

approx. 1 hr 30mins - £70.00

Maintenance infills

Required every 2-3 weeks. approx. 1hr 15mins - £40.00

HD differ to many other eyebrow treatments as we don't believe in a one-shape-fits-all. Brows are as individual as fingerprints and so each step of the HD Brow treatment is completely bespoke from the personal consultation, shape design, tailoring and aftercare process. We understand that perfect brows might not be created in one appointment. Therefore, your HD Brow stylist will put together a re-growth programme with your ideal eyebrow shape in mind.
