

SILVERLINK 600

Deliver perfectly crisp on the outside and fluffy on the inside chips time after time with the Silverlink 600 Free Standing Electric Fryer. Two independently operated fryer tanks means you have greater versatility while cooking, with a power that delivers 52kg of chips an hour. Ideal for cafes, pubs and restaurants, the fryer is built from sturdy stainless steel, while the heavy duty nickel plated baskets are designed for the most demanding of operations. You're in control via the accurate thermostat throughout the entire cooking process, and hinged elements give easy access during cleaning. Then there's the innovative deep cool zone, which collects cooking debris to prolong the life of the oil and therefore save you money.
