

FRIES RANGE

VIZU MINI FRIES

- The baby brother to the Vizu Mega Fries.
- Similar features in a smaller package.
- Heated above by overhead heat lamps and from beneath the dump area to maintain a consistent temperature.
- To be used with cooked products only.
- Larger usable chip scoop zone (comparable to Vizu Mega Fries).
- 2 tiered rear rail rack both chip bag and pan compatible.
- More energy efficient than the Vizu Mega Fries.
- Narrow profile when compared with Vizu Mega Fries.
- Suitable for left and right work flow direction.
- Fully welded chip dump area for easy cleaning.
- Removable chip dump divider for easy cleaning.
- Cupboard area below for extra storage.
- Packaging + salt shaker area below chip dump for easy access.
- Heavy duty non marking castor for easy movable unit with breaks.
